# SSAE PROGRAM

## Spring Semester in AERONAUTICAL / AEROSPACE ENGINEERING

**Toulouse - FRANCE**

**January 18,** 2027
to **May 28,** 2027

Undergraduate English track

Application deadline: **October 9, 2026**

**A worldwide reference in Aerospace Engineering**

**https://www.isae-supaero.fr/en/**

BIENVENUE EN FRANCE

*The institution received the highest rank of the label «Welcome to France» which rewards the quality of the welcome offered to international students.*

# SSAE PROGRAM

## ISAE-SUPAERO

- At the forefront of aerospace innovation since 1909
- An exceptional environment in the heart of Toulouse, Europe's leading hub of aerospace industries, laboratories and universities
- World-class research equipment and facilities: wind tunnels, turbofan test bed, flight simulators, aircraft fleet, autonomous systems platform, clean rooms for satellite integration, embedded systems platforms
- An international campus: 30% international students, 60 nationalities
- A vibrant, centrally located campus with residence halls and an extensive choice of sports facilities

## ACADEMIC PROGRAM

**5 courses of 6 ETCS each:**

- Aircraft design
- Applied aerodynamics and propulsion
- Aircraft structures
- Representation, analysis and dynamic systems control
- Research Project (12 ECTS)
- Introduction to French language, culture and to the aerospace industry in France

## OVERVIEW

- A full semester in English for junior and senior bachelor students in aeronautical or mechanical engineering program
- An undergraduate credit transfer mobility program, no tuition fees involved for partner universities
- No prior knowledge of French required

**Toulouse - France**
**January 18,** 2027
to **May 28,** 2027

Undergraduate English track
Application deadline: **October 9, 2026**
